QuadraMobile Handles

For panels up to 16" wide

Mobilex Handles

For panels greater than 16" wide

Electrical Controls - Paneleon Option

The **Paneleon** lighted option offers a visual and safe comfort level for the users.

Even though the electrical systems are always safe, the user-friendly "Paneleon" lighted system uses visual warning lights which demonstrate the behavior of the system.

The **Paneleon** alerts users if :

The system is safe to use...

Someone or an object is in an aisle...

The system is moving...

New Colors

Silver Star

Charcoal Grey

Ruby

Slight variations between colors shown and the actual finish may occur.

Established in 1924, Montel Inc. is the pioneer of high-density mobile shelving storage system solutions in North America. Manufacturer of products for office, institutional and industrial applications, Montel's achievements include some of the most prestigious projects in North America and around the world. The company serves clients through a network of authorized dealers throughout North America, Latin America, Europe, Africa and the Middle East.
