

Established in 1924, Montel Inc. is the pioneer of high-density mobile shelving storage system solutions in North America. Manufacturer of products for corporate, institutional, financial, legal, library, museum, government, healthcare, military, industrial and retail applications, Montel's achievements include some of the most prestigious projects in North America and around the world. The company serves clients through a network of Authorized Distributors throughout North America, Latin America, Europe, Africa and the Middle East.

For more information about our products and services or to see a list of Authorized Distributors, please visit us at www.montel.com or call 877.935.0236.

A Word about our Company

Conventional storage systems require space-wasting fixed aisles.

Montel's high-density systems *save at least 50%* of your floor space and accommodate growth for other uses...

...or double the actual floor space, thus 100% greater storage capacity, eliminating the need for a costly expansion or the construction of a new facility.

More Room for People, Equipment & Furniture

Why Montel?

The answer is simple. Our offer is total.

We manufacture all our fixed and mobile shelving units, cabinets, and accessories with the industry's most advanced and current production equipment. Investing in superior quality design and manufacturing simply makes good business sense.
