Multi-Flex Weapons Storage

Multi-Flex Weapons Storage – Designed to provide safe and efficient storage for weapons providing the customer the opportunity to save a tremendous amount of time and effort.

- 16 gauge steel bi-fold doors that fully recess within the interior of the cabinet allowing the user quick access to the weapons stored
- 2 nickel plated handles with 3 point locking mechanism helps safely secure weapons
- Independently adjustable shelves allow user to adjust height of shelf for various accessories being stored
- Heavy-Duty side handles allow the system to be easily transported
- Perforated Doors allow you to conduct inventories without opening the system
- Welded, heavy gauge steel assembly provides ultimate durability even in the harshest conditions
- Weapons may be easily transported inside the system
- Multi-Flex Weapons Storage may stand alone, assemble or stack multiple units together, or even place on Montel's Mobilex mobile systems for maximum storage efficiency
