MONTEL[®]
The Intelligent Use of Space

Organization

Accessibility

Today's modern athletic equipment managers are concerned with efficient techniques to enhance their workspace.

Challenged with equipment storage facilities and locker rooms that are running out of storage space, equipment managers need to optimize space utilization for improved equipment storage organization and accessibility.

Montel can provide real storage solutions for today's modern athletic equipment and supply needs. The versatility of Montel's storage products offers equipment managers and club owners various cost-effective innovative storage systems when considering a more efficient storage approach.

With an extensive storage product offering, Montel's high-density mobile and stationary shelving storage systems provide space conservation and reduced operating costs. For athletic facilities, Montel understands athletic equipment storage solutions.

Versatile

A word about our company

Established in 1924, Montel Inc. is the pioneer of high-density mobile shelving storage system solutions in North America. Manufacturer of products for office, institutional and industrial applications, Montel offers a complete line of products for fixed and mobile shelving storage units, cabinets, art racks and filing related accessories. Montel's achievements include some of the most prestigious projects in North America and around the world. The company serves clients through a network of authorized dealers throughout North America, Latin America, Europe and the Middle East.
